

The Golden Eagle Jazz Band

New Orleans Jazz

L-R. Malc, Chris, Roy, Kevin, Alan, Tony

Inspired by the music of the American revival, the Golden Eagle plays New Orleans jazz the way it was meant to be played, that is, with a powerful and melodic front line and a hard-driving rhythm section. We have been described as "The band that has the New Orleans bounce", "An excellent dance band" and "A band that will reach the heights of popularity".

These comments and many more like them have helped the band secure bookings at many of the country's leading jazz establishments and festivals as well as numerous private and corporate functions.

Quality music, smart presentation, flexibility, and a good sense of humour, make the Golden Eagle an ideal band for any event.
